- Pricing in Euro is standard Ex Works Amsterdam. This means we simply push it out of our garage and wait for it to spontaneously find you. Since we have seen that they sometime are quite shy and this doesn’t always really work, we can also make arrangements for transport to the site of your success.
- Orders will only be processed and your position in the production line secured once down payment has been made.
- Before or on delivery final payment has to be received by TTF or goods won’t be delivered.
- Although we work hard to meet our estimated delivery times, TTF cannot guarantee specific delivery date.
- General terms and conditions apply to this form, and can be found on www.tuktukfactory.com/general-conditions.
